ARTICLE THREE

DUES DEDUCTION AND REPRESENTATION FEE

A. The City agrees to deduct from the salaries of its employees subject to this Agreement dues for the Union. In addition, the City agrees to deduct from the salaries of its employees subject to this Agreement but not members of the Union a representation fee in lieu of dues for services rendered by the majority representative, in an amount equal to 85% of the regular membership dues, fees and assessments paid by members of the Union, less the cost of benefits financed through the dues and assessments and available to and benefiting only members of the Union. ARTICLE TWELVE

EMPLOYMENT PROCEDURES

A. **Ability to Perform.**

All applicants for employment shall be required prior to the commencement of employment to take and pass an examination demonstrating the appropriate skills and physical abilities to perform the duties of the task. Further, the City may require Certification examinations in connection with the rehire or continued employment of any employee, in order to confirm the Lifeguard's ability to perform the duties of a Lifeguard in accordance with the Bathing Code set by the State of New Jersey (N.J.A.C. 8:18-1 et. seq.) and the guidelines established by the United States Lifesaving Association. Further, employees are required as a condition of continued employment to hold and maintain a CPR Certification and a First Aid Certification. All Certifications must be maintained throughout an employee's term of employment with the City.

B. **Medical Examinations and Certifications.**

All new applicants for employment and returning guards shall be required to provide a medical certification of fitness from their own physician certifying that they are free of any physical defect or disability which would preclude their providing full and complete service of their duties. Such certification shall be acquired at the sole expense of the prospective employee. The City reserves the right to require at any time that the employee be examined by a physician designated by the City to verify fitness for duty at the City's cost. At the request of

any lifeguard, the City will reimburse the lifeguard for up to \$75.00 for an annual physical to cover any of the out-of-pocket expenses or a reasonable and customary exam.

C. **Returning Guards.**

Guards who wish to return for their second year and beyond will be considered for employment prior to new applicants.

Guards who wish to return for their second year and beyond must meet established criteria to be rehired each season. The returning guard must have received a satisfactory year-end written evaluation based upon his/her performance during the season and be recommended for rehiring by the Captain of the Beach Patrol. The guard must also demonstrate he/she has maintained the physical capabilities for employment by passing such medical examinations and athletic tests as the City may deem appropriate. Each returning guard must present a Doctor's Certificate, at the cost of the employee, certifying that the employee is physically fit to perform the duties of a Lifeguard.

D. **Layoffs.**

If there is a reduction in force, the City shall determine which employees shall be laid off. In making that determination, the City shall consider the employee's past performance, his/her disciplinary record, and attendance record. When all of these items are reasonably equal, then seniority shall be the determining factor and employees with the greater amount of seniority shall be retained.

ARTICLE THIRTEEN

WORK RULES

The Union acknowledges and agrees that the City has the right to promulgate a Cape May Beach Patrol Lifeguard Manual which may contain such work Rules and Regulations and Standard Operating Procedures or other City Policies governing the operation of the Beach Patrol as the City may desire, including but not limited to:

1. Table of Organization
2. Responsibilities and Duties of Personnel
3. Regulations and Procedures Including Disciplinary Standards.
4. Rescue Procedures and Regulations
5. Vehicle Operations
6. Emergency Procedures
7. Ocean Conditions and Operations

of the Beach Patrol. The Union agrees that such action would constitute a material breach of this Agreement.

B. In the event of a strike, slowdown, walkout, or other job action, it is covenanted and agreed that participation in any such activity by an employee covered under the terms of this Agreement shall be deemed grounds for termination of employment of such employee or employees subject, however, to the application of the grievance procedure set forth in Article Nine.

C. The Union will actively discourage and will take whatever affirmative steps are necessary to prevent or terminate any strike, work stoppage, slowdown, walkout or other action which interferes with the full and complete normal operation of the Beach Patrol.

D. Nothing contained in this Agreement shall be construed to limit or restrict the City in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction for damages or both in the event of any such breach by the Union or its members.

ARTICLE NINETEEN

MEMBERS RIGHTS

A. A Member shall have access to his/her personnel file upon reasonable notice and in the presence of a City Official.

B. No reports or charges shall be placed in a member's personnel file without the Employee receiving a copy of same.

C. Members shall be entitled to engage in outside employment during off-duty hours provided that such employment does not conflict with his employment responsibilities as an employee of the City of Cape May.

D. In the event it is determined that the City is required to create a Pension Plan for Lifeguards who have fulfilled the applicable requirements of NJSA 43:13-24 et seq., the parties agree to negotiate the terms and conditions of the Pension Plan.

ARTICLE TWENTY

DRUG FREE WORK PLACE

A drug-free workplace, free from use of non-medically prescribed controlled substances, is vital to the City, to the safety of our work place, to the productivity of our employees, and to the interests of the general public. For these reasons, the City has implemented a drug policy and practices oriented toward maintaining a drug-free work environment.

The use, possession, sale or distribution of non-medically prescribed controlled substances on City premises (including parking lots and recreation areas or in any City work environment) is prohibited. "Work environment" includes situations where an employee is

representing the City whether on a citizen related call or participating in a business meeting off-premises. A violation of this provision of the City's drug policy is not considered a medical issue and normally results in dismissal from the City. The City's drug policy also prohibits employees impaired by any medically prescribed controlled substances from entering City premises or other work environments. Consideration is given to the safety of any employee asked to leave our premises due to an impairment (e.g. ability to drive, etc.).

The City reviews employees off-the-job drug-related incidents such as arrests for use, possession, sale or distribution of drugs to make a determination if the incident could result in an adverse or potentially adverse impact to the City and/or to our employees. The results of the review will determine the appropriate course of action for the City to take including dismissal, rehabilitation or other actions.

In appropriate circumstances, the City may require employees suspected of being under the influence of drugs to submit to drug testing. Drug testing will only be required and administered in accordance with the provisions of Federal and State law. The City, the Beach Patrol Captain or other City authorized designee will consult with the Union Shop Steward prior to the City requiring an employee to submit to drug testing unless emergency circumstances exist which do not permit adequate time for such consultation.

ARTICLE TWENTY-ONE

COMPENSATION

A. Wages.

The daily pay scale for Lifeguards employed by the City of Cape May shall be set forth on Schedule A attached hereto and by this reference made a part thereof. This daily pay scale is based upon an eight (8) hour day. Therefore, where applicable, the hourly rate of pay for employees shall be determined by dividing the daily pay scale rate for the employee by eight (8) hours.

Effective January 1, 2007, each employee shall be placed on the Wage Guide in accordance with his/her years of service with the City. Each employee shall move to the next Step on the Wage Guide provided that the employee has worked a minimum of thirty (30) days during the prior season. The Captain, with the approval of the Mayor or his designee, may authorize the placing of a lifeguard at a higher step, if he or she has prior experience with another municipality.

B. Court Time.

If an employee is required to appear in Court on behalf of the City on City related business or for any reason arising out of his employment as a lifeguard, he shall suffer no loss of pay.

C. **Adjustments to Compensation.**

Nothing contained herein shall prevent the City from moving an employee to a higher hourly rate on the wage structure as a reward for outstanding achievement, or withholding an increment or reducing an employee's hourly rate as a disciplinary measure.

D. **End of Season Incentive Plan.**

In order to keep Lifeguards through the Labor Day guarding period, an incentive plan shall go into effect. Such plan shall provide for a per diem incentive of \$5.50 for the 2008 year, \$5.75 for the 2009 year and \$6.00 for the 2010 year. These adjustments shall take effect with the year beginning January 1, 2007. In order for a Lifeguard to qualify for this incentive, the following conditions must be met:

1. Salary funds from the Lifeguard budget must be certified available by the CFO by August 15th
2. Lifeguard must have worked a minimum of 30 days prior to the incentive date, which is 14 days prior to Labor Day.
3. Lifeguard must work 6 days per week for the duration of the incentive period.
4. A maximum of 14 days will be considered for incentive pay

E. **Additional benefits.**

1. The City will compensate each lifeguard an amount of \$50.00 for each incident in which the lifeguard is authorized to dive in a search and recovery operation.
2. Lifeguards will be compensated at their normal rate of pay for mandatory meetings scheduled outside of the normal work day hours.

ARTICLE TWENTY-TWO

FULLY BARGAINED PROVISIONS

The parties acknowledge that this Agreement represents and incorporates the complete and final understanding and settlement of the parties on all bargain able issues which were or could have been subject to negotiations, and that all terms and conditions of employment applicable on the effective date of this Agreement to employees covered by this Agreement. Unless otherwise provided in this Agreement, no prior administrative procedure, practice or past practice shall be interpreted or applied so as to enlarge or otherwise conflict with the express terms of this Agreement.

During the term of this Agreement, neither party will be required to negotiate with respect to any such matters, whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or

signed this Agreement.

ARTICLE TWENTY-FOUR

NOTICES

Whenever any notice is required to be given by either of the parties to this Agreement to the other, pursuant to the provisions of this Agreement, either party shall do so by certified mail at the following addresses:

One of the meetings between the Union members and City Officials must be held in July.

ARTICLE TWENTY-EIGHT

PENSION PLAN

A. The parties acknowledge that the City is required to provide a pension to all lifeguards and has adopted a pension plan which is set forth on Schedule B attached hereto and by this reference made a part hereof. Such plan will remain in effect provided that the parties agree to continue to explore the possibility of modifying the plan and, in connection therewith, on or before August 25, 2008, the Union's attorney will submit a proposal with recommendations to the City Manager and Solicitor for City Council review. The Union's attorney will be available to meet with City Council to answer any questions or provide additional information or clarification of information contained in the report. At that time, the matter will be deemed resolved and will not be processed any further through impasse procedures and negotiations and to the next round of bargaining.

B. The pension plan shall also be modified to provide that any Lifeguards who have not attained the age of 18 as of the first day of each year he or she works as a Lifeguard shall not be eligible for participation in the plan until a year in which he or she is age 18 on the first day of work.
